#### CAEP's Research Endowment Fund

Excellence in emergency health care requires sound, evidence-based practice. CAEP is addressing this requirement by fostering emergency medicine research at the national level by promoting Canadian junior emergency medicine researchers through the Research Endowment Fund. Your support will see that this fund continues to grow and affects the future of emergency medicine.

#### CAEP Privacy Statement

CAEP is committed to respecting the personal privacy of our members. The information below summarizes our privacy policy and practices.

- All personal information you provide is protected under the federal *Privacy Act* and *Personal Information Protection and Electronic Documents Act (PIPEDA)*. You will be informed that your personal information is being collected, the purpose for which it is being collected, and how to exercise your right of access to the information.
- Member information is disclosed to CAEP personnel only in order to carry out CAEP Board-approved activities.
- Participation in research surveys conducted by CAEP members and approved by the Research Committee is voluntary.
