

# WITHDRAWN – Assessing Efficacy of Lipid in Unstable, Non-Last Overdose Patients – RETRACTION

Guy Weinberg

doi:10.1017/cem.2017.354

This article has been retracted at the request of the editor.

The author's submission of their conflict of interest did not sufficiently meet the standards that *CJEM* requires, and there is potential commercial interest in regards to the subject of the author's letter.
