

Index to Volume 3, 2001

A							
acetylsalicylic acid	44	cost identification	20, 265	intervertebral disc		pulmonary edema	51
adult respiratory distress syndrome	51	croup	209	herniation	285	quality of life	285
alternate funding	265			intoxication	44, 224		
anaphylaxis	315	D		ischemia	26	R	
anesthetic	51	death pronouncement	20, 265	ischemic stroke	8	radiography	96
atenolol	224	decision-making	90, 219			rapid sequence intubation	302
				J-L		remuneration	265
B		E		jurisprudence	205	research	321, 322
benzocaine	51	education	13, 205	laryngotracheobronchitis	209	residency match	100
beta-blocker	224	efficiency	263	lidocaine	51	resuscitation	267
biomedical ethics	213	emergency department	51, 277, 292			rural hospitals	296
blood products, complications	194	emergency medical services	20, 110, 265	M			
		emergency medicine	13, 90, 100, 110, 213, 219	medical	205	S	
C		emergency service	296	medical research	213	salicylate	44
CAEP Position Statement	8, 267, 269	error	271	methemoglobinemia	51	small hospitals	267
CAEP/ACMU 2001 Scientific Abstracts	119	error prevention	271	midazolam	302	specialty choice	100
CAEP/ACMU 2001 Scientific Abstracts author index	150	ethics	321, 322	motivation	100	survey	90, 110
CAEP/ACMU 2001 Scientific Abstracts key word index	152	etomidate	302				
cardioversion	302	evidence-based medicine	219	N		T	
career choice	100	exercise	315	National Residency Matching Program	100	tetanus	47
cauda equina syndrome	285			necrosis	26	therapeutics	219
chest pain	90	F-H		NSAIDs	321, 322	thiopental	302
clavicle	96	financial support	13			thrombotic therapy	8
clinical competence	205	food	315	O-Q		time factors	26
clinical diagnosis	96	fracture	96	overdose	44	tissue plasminogen activator	5, 8
clinical prediction rule	90	graduate	205	particle size	209	topical administration	51
compartment syndromes	26	hospital	296	patient transfer	296	training programs	13
continuous quality improvement	271	humidification	209	pharmaceutical companies	321, 322	transfusions	194
				physician remuneration	265	trauma	47
		I		point of care testing	263, 292	treatment	209
		informed consent	213	postgraduate	13	trismus	47
		informatics	277	procedural sedation	302		
		information system	277	propofol	A24, 302, 311	U-Z	
		instructions for authors	64, 238	public access		upper gastrointestinal hemorrhage	194
		international health	110	defibrillation	267	urine pregnancy testing	292
