Dear Dr. McEwen

I am writing to express my interest in becoming a member of the Board of Directors at CAEP. I have been a member of CAEP since medical school and have enjoyed many benefits as a member. I am now mid-career and hope that my experience could enrich the board.

As a board member, I will bring various perspectives – as a physician, researcher, leader, teacher and advocate. I am a member of various national committees such as the Royal College of Physicians and Surgeons Specialty Committee for Emergency Medicine, the Futures of Emergency Medicine Working Group and as a Board Examiner for the FRCPC fellowship exams in Emergency Medicine. Additionally, I am the past chair of the CAEP Trauma and Injury Prevention committee and have participated on the CAEP Research Committee as well as the CAEP Public Relations committee. I have attached my CV for your perusal.

I look forward to the potential opportunity to serve the Emergency Medicine community as a board member.

Best Regards,

Carolyn Snider MD, MPH, FRCPC
