

CAEP Trauma and Injury prevention committee

Chair : M. Émond

2021-2022 activity report

Due to the COVID pandemic, no formal meeting occurred.
Informal email exchanges were done between members.

We plan to restart activities at CAEP 22.

Of note, we are having formal discussions with members of the Trauma Association of Canada to join forces and improve trauma care.

First informal meeting was done at TAC annual meeting with Dr. R. Green.

A second official meeting is planned on May 17th, I'll report to the TRIP committee on May 29th about this new opportunity.

Chair: Marcel Émond
