Canadian Journal of Emergency Medicine (CJEM) Advertising

The Canadian Journal of Emergency Medicine (CJEM) is Canada's only academic emergency medicine journal and the official monthly publication of the Canadian Association of Emergency Physicians (CAEP). The 3D digital journal is now more enjoyable to read as a FlipBook. This format allows you to add rich media like buttons, audio, videos, image galleries and animations which increase audience engagement.

Options include: Half page, full page and two page spread or advertorial

EM in the NEWS Advertising

This weekly publication tackles today's most relevant stories, gathered from leading news media sources. Canadian Emergency Medicine professionals are kept informed of the topics that matter most to their practice as well as their personal life. Subscribers are primarily Emergency Physicians from across Canada who practice in a range of settings from small rural centres to large tertiary care centres. Many of our subscribers are influential leaders within their institutions and beyond. The weekly email goes to over 10k recipients, with open rates ranging between 40% and 60%. The average open rate for the last 10 EM in the News eblasts is 51.88%. Publication advertising is sold in 13-week increments.

Options include: text, logos, graphics, animations, video (links), photographs

EM Marketplace

The EM Marketplace has been created for busy emergency physicians to have a place to go to find information about products, programs and services that are relevant to emergency medicine. Having an 'all-in-one' platform allows physicians to quickly find established and new companies and organizations in one convenient location. EM Marketplace [page](#).
