

ICEM2025
24th International Conference on Emergency Medicine
Montreal Canada, May 23 - 28

www.icem2025.com 

Palais des congrès de Montréal 
1001 Pl. Jean-Paul-Riopelle, Montreal, Quebec

Dear Track Chairs,

Attached please find a message that will be shared with all ICEM2025 speakers and posted on the CAEP and ICEM websites.

We do expect that, as part of your role, that your review of speaker presentations takes these concerns into consideration. We ask that you convey to moderators that they are tasked with ensuring that discussions remain aligned with the conference's objectives. If a session shifts toward political or geopolitical discussions, moderators may intervene to redirect the conversation back to its intended focus.

As this is an international conference, attendees and speakers will be attending from various cultural, social, and professional backgrounds. We want to ensure that ICEM2025 is a respectful, inclusive, and academically enriching conference environment.

Should you have any questions, please do not hesitate to contact any of the Conference Chairs.

Best regards,

Drs. Brittany Ellis & Eddy Lang, ICEM2025 Conference Chairs
Drs. Judy Morris & Paul Pageau, ICEM2025 Scientific Chairs
Lynn Garrow, Executive Director, CAEP
